**SINK FEATURES**

Stone sinks feature Sound-Shield pads on several strategic areas of every sink for extra sound proofing. Made of natural rubber, the Sound-Shield pads reduce the noise of clattering dishes and running water.

Pro Vest is a protective coating over the Sound-Shield pads. This system reduces noise, prevents condensation, and helps maintaining water temperature when pre-soaking dishes.

All Stone sinks receive expert hands-on care under strict quality control throughout every stage of our modern manufacturing process. This ensures a "NO HASSLE" Limited Lifetime Warranty against all manufacturing defects in material and workmanship under normal use. Please read our Limited Lifetime Warranty policy at our web site: www.StoneUsa.com.
